Dear Ms Doherty

If you have not done so already, you will shortly be receiving the attached letter enclosing an updated version of the Clann Project's submissions to the Commission.

I also wanted to let you know, as a matter of courtesy, that the Clann Project will be launching its submissions at a press conference in Dublin on the morning of Monday 15th October 2018. The Clann Project has also sent a redacted copy of the updated submissions to Minister Zappone so she has seen it prior to the press conference.

If you any questions regarding the updated submissions or require any further information, please do not hesitate to contact me.

Kind regards,

Faye
